[In table below we omit quorosin, 88 do. soap stone, 3 do. wax, 20 bundles paper, 49 do. tations of hard, as there is little or none coming in, and at this season of the year it generally goes at half the price of soft.] There is a fair enquiry from both shippers and distillers, and the market closes firm at \$2 45 for soft and \$1 224 for hard. The receipts continue light, and for the week just ended the sales foot up 3,543 bbls., as follows:

Rosin-For the finer grades the market ruled unnsually duli during the early part of the week, and no a single transaction took place until Monday, when there was some enquiry from buyers and sales were made at about forme quotations. The large number of vessels that have arrived since our last has caused more business to be done in the lower grades, but at reduced figures-some sales of Common having been made as low as \$1 per 310 lbs.; holders generally, however, are unwilling to accept less than \$1 05. which they are now asking. We quote sales as follows:-Friday and Saturday 1000 bbls. strained Common \$1 074 a \$1 10 per 310 lbs.; Monday 2000 do. FLOUR-During the week just ended there has been more activity in the market for State brands, and prices have advanced 25 cents on all grades. But very little has come in either by river or railroad, and in consequence the supply has become materially reduced, and the quantity in first hands is barely sufficient to meet present wants. There is a fair demand for retailing purposes, but for want of stock to operate upon the sales have been confined to a few small parcels at \$7 50 for superfine, and \$7 75 for family-the market closing firm, with an advancing tendency in prices. GUANO-The receipts for a few weeks past have been meagre, still we notice a fair supply in the hands of dealers. at 44 cents per lb. by the tierce. HAY-The market is heavily supplied with all descrip tions, and the demand from dealers has become checked and only a prime article will sell at our quotations. About 500 bales have been received during the week, and sales made as follows: 97 bales Eastern at \$1 15, 90 days; 127 do. Northern at 85 cents, cash; and 100 do. do. at 90 cents per 100 lbs., 90 days; -the balance has gone into store. C. make for some weeks past has caused the stock in dealers hands to become materially reduced, and it is barely sufficient to meet present wants. IMPORTANT TO HOUSEKEEPERS. E. R. DURKEE & CO.'S SELECT SPICES.

Guaranteed not only
ABSOLUTELY AND PERFECTLY PURE, but ground from fresh Spices, selected and cleansed by us expressly for the purpose, without reference to cost. They are beautifully packed in tinfoil, (lined with paper,) to prevent injury by keeping, and are full weight, while the ordinary ground Spices are almost invariably short. We war rant them, in point of strength and richness of flavor, BEYOND ALL COMPARISON, as a single trial will abundantly prove.

Manufactured only by E. R. DURKEE & CO.,
